

STATE OF MINNESOTA
OFFICE OF ADMINISTRATIVE HEARINGS

In the Matter of the Proposed Rules of the
Minnesota Pollution Control Agency and the
Minnesota Department of Health Governing
Water and Wastewater Treatment Certification

**REPORT OF THE CHIEF
ADMINISTRATIVE LAW JUDGE**

This matter came before the Chief Administrative Law Judge pursuant to the provisions of Minnesota Rules, part 1400.2300, subpart 6. Based upon a review of the record in this proceeding, the Chief Administrative Law Judge hereby approves the Report of the Administrative Law Judge, dated May 22, 2012, in all respects.

In order to correct the defects enumerated by the Administrative Law Judge in the attached Report, the agency shall either submit the missing assessment, make different changes to the rule to address the defects noted, or submit the rule to the Legislative Coordinating Commission and the House of Representatives and Senate policy committees with primary jurisdiction over state governmental operations, for review under Minnesota Statutes, section 14.15, subdivision 4.

If the agency chooses to submit the missing assessment, or if the agency chooses to make other changes to correct the defects, it shall submit to the Chief Administrative Law Judge a copy of the rules as originally published in the State Register, the agency's order adopting the rules, and the rule showing the agency's changes. The Chief Administrative Law Judge will then make a determination as to whether the defect has been corrected and whether the modifications to the rules make them substantially different than originally proposed.
